

Arielle Acosta #7

Primary Position: SS, 2B, OF
Class of 2018

Softball to me is a way of life. Softball teaches me discipline, the importance of team work and that hard work has its benefits. To me softball is not just about physical abilities but is also about the mental aspect of the game. Although I am passionate about softball, I also believe a person should be well-rounded which is why when I'm not playing softball, I am busy fulfilling my ASB student government duties, and my duties as percussion section leader in Honors Band. I am a determined and ambitious student athlete hoping for a chance to play softball at the collegiate level
